

1 **GUAM CONSOLIDATED COMMISSION ON UTILITIES**

2 **RESOLUTION NO. 01-FY2017**

3  
4 **RELATIVE TO APPROVAL OF THE BAZA GARDENS WASTEWATER CROSS-  
ISLAND PUMPING AND CONVEYANCE PHASE I CONSTRUCTION PROJECT**

5  
6 **WHEREAS**, under 12 G.C.A. § 14105, the Consolidated Commission on Utilities  
7 (“CCU”) has plenary authority over financial, contractual, and policy matters relative to the  
8 Guam Waterworks Authority (“GWA”); and

9  
10 **WHEREAS**, the Guam Waterworks Authority (“GWA”) is a Guam Public Corporation  
11 established and existing under the laws of Guam; and

12  
13 **WHEREAS**, GWA currently has a number of critical Court Order (“CO”) projects  
14 including a complete evaluation of the Baza Gardens WWTP to determine what improvements  
15 are necessary at the plant to achieve compliance with the WWTP’s NDPES permit, as stated in  
16 Paragraph 13 of the 2011 Court Order as well as the completion of construction activities that  
17 were identified in the approved plan resulting from the evaluation noted above as stated in  
18 Paragraph 14 of the 2011 Court Order; and

19  
20 **WHEREAS**, the system evaluation report required under Paragraph 13 and completed in  
21 April of 2014 by GWA’s Program Management Office (PMO), Brown and Caldwell, resulted in  
22 a recommendation to GWA and the USEPA that transferring/conveying the Baza Gardens  
23 WWTP effluent flow across the Route 17 (Cross Island Road) to a new Agat-Santa Rita WWTP  
24 site was the recommended conceptual alternative to which this recommendation was found to be  
25 acceptable by all parties; and

26  
27 **WHEREAS**, Paragraph 14, subsection (b) of the 2011 Court Order required that GWA  
28 “execute a contract and issue a notice to proceed with construction” by October 31, 2016; and

29  
30 **WHEREAS**, in September of 2015 GWA began the procurement process to find a  
31 consulting engineering team to design the wastewater conveyance system and via Resolution 06-  
32 FY2016, approved by the CCU in October of 2015, GWA management was authorized to enter

1 into a contract with Duenas Camacho and Associates to design the wastewater conveyance and  
2 pumping system which would include new Sewer Pump Station (SPS), gravity mains, force  
3 mains and all incidentals and appurtenances to these man components; and  
4

5 **WHEREAS**, GWA has determined that in an effort to comply with the intent of the  
6 Court Order deadline of October 31, 2016 the most expedient process was to break the  
7 construction activities into phases with the first phase covering the construction of one sewer  
8 pump station, 14,643 linear feet of gravity and 2,767 linear feet of force main which is  
9 considered approximately one third of the overall project requirements; and  
10

11 **WHEREAS**, GWA has advertised the Invitation For Bid (IFB-08-ENG-2016) for Baza  
12 Gardens Wastewater Conveyance and Pumping Phase I Construction project wherein GWA is  
13 soliciting bid proposals from experienced and responsive bidders to construct a sewer pump  
14 station, sewer gravity and force mains; and  
15

16 **WHEREAS**, this phase of work consists of furnishing all labor, tools, equipment and  
17 materials including coordination with GWA Wastewater Operations and Engineering and the  
18 Construction Manager to construct all components described in the 100% design drawings and  
19 technical specifications which include but are not limited to a sewer pump station with  
20 generator and wet well, 14,643 linear feet of gravity line with sizes ranging from 12" to 15" in  
21 diameter, 2,767 linear feet of 10" diameter gravity main, pavement restoration in affected  
22 areas, SPS perimeter fencing, SPS retaining walls, as well as a communication conduit for  
23 future by GWA and GPA; and  
24

25 **WHEREAS**, IFB packages were picked up by ten (10) interested parties, from which  
26 GWA received bid proposals from two (2) of the ten (10) (SEE EXHIBIT A – Abstract of Bids)  
27 before the bid proposals deadline of September 30, 2016; and  
28

29 **WHEREAS**, GWA's design consultant for the project along with GWA Engineering  
30 analyzed the bid proposals received, particularly the lowest bid received and determined that  
31 "BME & Son Inc." successfully submitted the lowest bid as a responsive and responsible bidder  
32 and met all the bid requirements set forth by GWA (SEE EXHIBIT B – Bid Evaluation); and

1           **WHEREAS**, GWA management finds BME & Son Inc.’s bid proposal acceptable and  
2 now seeks CCU approval of the bid proposal amount of Seven Million Eight Hundred Eighty  
3 Eight Thousand One Hundred Fifty One Dollars and Nineteen Cents (\$7,888,151.19) attached  
4 hereto (SEE EXHIBIT C – Bid Proposal),

5  
6           **WHEREAS**, GWA management further seeks CCU approval of a five percent (5%)  
7 contingency to the bid proposal amount or Three Hundred Ninety Four Thousand Four Hundred  
8 Seven Dollars and Fifty Six Cents (\$394,407.56) to bring the total authorized funding amount to  
9 Eight Million Two Hundred Eighty Two Thousand Five Hundred Fifty Eight Dollars and  
10 Seventy Five Cents (\$8,282,558.75); and

11  
12           **WHEREAS**, funding for this project will be from the 2016 Bond Funds under the line  
13 items CIP WW 11-03 “Baza Gardens STP Replacement”; and

14  
15           **NOW BE IT THEREFORE RESOLVED**, the Consolidated Commission on Utilities  
16 does hereby approve the following:

- 17  
18           1. The recitals set forth above hereby constitute the findings of the CCU.  
19           2. The CCU finds that the terms of the conditions set by GWA relative to  
20 commencement of work activities are fair and reasonable and serve as a  
21 measure of Quality Assurance/Quality Control (QA/QC).  
22           3. The CCU hereby authorizes the management of GWA to accept the bid  
23 proposal from “BME & Son Inc.” attached hereto as Exhibit C and which is  
24 incorporated into this Resolution in its entirety.  
25           4. The CCU hereby further authorizes the management of GWA to enter into a  
26 contract with “BME & Son Inc.” in the amount Seven Million Eight Hundred  
27 Eighty Eight Thousand One Hundred Fifty One Dollars and Nineteen Cents  
28 (\$7,888,151.19).  
29           5. The CCU hereby further approves the funding total of Seven Million Eight  
30 Hundred Eighty Eight Thousand One Hundred Fifty One Dollars and  
31 Nineteen Cents (\$7,888,151.19) plus a five percent (5%) contingency of Three  
32 Hundred Ninety Four Thousand Four Hundred Seven Dollars and Fifty Six

Subj: **BME & Sons Bid Proposal Review**

Hafa Adai,

Thank you for allowing Duenas, Camacho and Associates, Inc. (DCA) the opportunity to review the September 30<sup>th</sup>, 2016 Bid Proposal, submitted by BME & Sons (BME) for the referenced project. DCA reviewed the bid proposal provided by BME as well as the past projects provided in appendix G, bidder qualifications form.

The BME bid proposal was compared to the engineers estimate. Overall the BME bid is 16% below the engineers estimate. Detailed review indicates that the sewer-line installations are >25% below the engineers estimate. In addition, the pumps station structure is 32 % below the engineers estimate. BME has experience in utility installation as well as building construction. Based on BME past projects listed in the bidder qualifications form and DCA's past experience working as a construction manger with BME, the low values provided under sewer-line and building construction are more likely than not attributed to the selected means and methods used by BME for construction rather than an error or emission on the bid. Large equipment items such as the generator, pumps and odor control systems are comparable to the equipment quotes reviewed during the design of the referenced project.

Based on our review we have no exceptions with GWA moving forward with contracting BME & Sons for this referenced project.

Thank you,

Kenneth M. Rekdahl, PE

## SECTION A-3

### BID PROPOSAL

To: General Manager  
Guam Waterworks Authority  
Gloria B. Nelson Public Service Building  
688 Route 15, Mangilao, GU 96913

Dear Sir/Madam:

The undersigned ("Bidder"), a \_\_\_\_\_ Corporation \_\_\_\_\_ (Corporation or Partnership or Individual) organized and/or licensed to do business under the laws of \_\_\_\_\_ Guam \_\_\_\_\_, hereby proposes and agrees to furnish all the necessary labor, materials, equipment, tools and services necessary for the **BAZA GARDENS WASTEWATER CROSS-ISLAND PUMPING AND CONVEYANCE SYSTEM (PHASE-I): S15-008-BND** in accordance with the bid documents for the sum of:

\$ 7,888,151.19 (Seven Million Eight Hundred Eighty Eight Thousand One Hundred Fifty One Dollars & 19/100)

plus any and all sums to be added and/or deducted resulted from all extra and/or omitted work under a change order or contract amendment under the unit and/or lump sum prices stated in the itemized proposal form attached hereto.

The undersigned has examined the location of the proposed work, the drawings, specifications and other Contract Documents and is familiar with the local conditions at the place where the work is to be performed, agrees to perform all work within the time set forth; herein and the price stated in their bid.

The Bid Guaranty attached hereto without endorsement, in the sum of not less than fifteen percent (15%) of the highest amount the total aggregate bid, is furnished to the Guam Waterworks Authority as a guarantee that the Agreement will be executed and a Performance and Payment Bond and proof of insurance and other requirements set forth in the bid, in forms acceptable to GWA, shall be furnished within twenty (20) days after notification that the undersigned is the lowest responsible bidder. In the event that this Bid is accepted, and the undersigned bidder shall fail to: (1) provide any and all documents requested by GWA that are required under the bid; (2) execute the Contract on terms and conditions acceptable to GWA; and (3) furnish a satisfactory performance and Payment Bond under the conditions and within the time specified in this Proposal, the equivalent amount of the Proposed Guaranty shall be forfeited, as liquidated damages for the delay and additional work and costs caused thereby in obtaining another bidder, said amount being beforehand determined as being reasonable and containing no penalties. If written notice that the bidder is the lowest responsible bidder, and such notice is mailed, telegraphed or delivered to the undersigned within sixty (60) days after the opening thereof, the undersigned agrees to execute the contract on terms and conditions acceptable to GWA, and to furnish a Performance and Payment Bond as a condition

precedent to entering into the contract.

The undersigned hereby acknowledges receipt of the following Addenda:

Addendum No.	Dated:
<u>01</u>	<u>09/16/2016</u>
<u>02</u>	<u>09/22/2016</u>
<u>03</u>	<u>09/26/2016</u>
<u>04</u>	<u>09/28/2016</u>

If awarded the Contract, the undersigned agrees to complete the work for the "Basic Bid" within three hundred and sixty (360) calendar days following the execution of the Contract by all parties thereto and the issuance of the Notice to Proceed from GWA.

Attached hereto are the following: (1) an affidavit in proof that the undersigned has not entered into any collusion with any person in respect to this proposal or any other proposal or the submitting of proposals for the Contract for which this bid is submitted; (2) proof of licensure on Guam to conduct the services specified in the bid; (3) proof of insurance in the types and amounts specified in the bid, including certificates and a copy of the complete policies which indicates coverages and exclusions; (4) Certification of Non-Employment of Convicted Sex Offenders; and (5) any other document requested under the bid.

The undersigned understands that the Guam Waterworks Authority reserves the right to reject any or all Proposals or to waive any informality or technicality in any Proposal in the interest of GWA.

RESPECTFULLY SUBMITTED BY:

Attached are the draft resolution, justification sheet and exhibits for the Court-ordered Baza Gardens wastewater pumping and conveyance project for your review and consideration in advance of our October meeting.

This project has a court-ordered deadline of October 31, 2016 for GWA to enter a construction contract for the execution of the work. In order to meet this deadline, I am asking for a poll vote by Wednesday of next week, with ratification at the October meeting, so that if the Commission approves, we may begin processing the contract documents for signing subsequent to ratification but prior to the 31st.

Please advise of any questions or concerns, and Tom, Paul and Kelly will try to get them addressed immediately, while I am off-island next week.
