WHEREAS, GPA has determined that a new solicitation is needed to reflect the necessary changes and update GPA’s supply requirement (Exhibit B); and

WHEREAS, GPA intends to issue a new Invitation For Bid for the procurement of diesel fuel oil for the Baseload and Peaking Units for a base period of two (2) years, to commence on January 01, 2018 through December 31, 2019, with three (3) additional one-year extension options; and

WHEREAS, the draft bid solicitation documents for the procurement of a new diesel fuel oil supply contract is hereby attached as Exhibit C; and

WHEREAS, the total cost for the new contract is anticipated to exceed $1.5M requiring GPA to seek authorization for this procurement from the PUC; and
WHEREAS, GPA is requesting the approval of the CCU to petition the PUC for the issuance of an Invitation for Bid for a new diesel fuel oil supply contract.

NOW THEREFORE, BE IT RESOLVED, by the Consolidated Commission on Utilities, subject to the review and approval of the Public Utilities Commission, as follows:

In the event GPA cannot obtain an exemption from such laws and regulations, CONTRACTOR shall use its best efforts to furnish GPA substitute Fuel Oil which complies with such governmental laws and regulations at the same price set out herein, or if unreasonable, at a price to be renegotiated by the parties. If the substitute Fuel Oil causes an increase or decrease in CONTRACTOR's cost of performance of the Contract, an equitable adjustment shall be made and the Contract modified in writing accordingly. Any claim of CONTRACTOR for adjustment under this section must be asserted in writing within thirty (30) days from date of receipt by CONTRACTOR of the notification of substitute Fuel Oil in compliance with Government laws, rules and regulations. However, nothing in this clause shall excuse the CONTRACTOR from proceeding with the Contract Fuel Oil specifications as changed in order to comply with Government laws, rules and regulations. Only in the event that the
parties cannot mutually agree upon the price at which CONTRACTOR is to furnish such substitute Fuel Oil, and CONTRACTOR refuses to provide such substitute Fuel Oil at the Contract price set out herein shall GPA then have the option of purchasing from other sources Fuel Oil at a lower price than that offered by CONTRACTOR in such negotiations which complies with such laws and regulations, but in any event, the CONTRACTOR shall have no recourse, other than those specified herein.
