GWA RESOLUTION NO. 31-FY2019

RELATIVE TO APPROVING THE LIQUID CHLORINE SUPPLY CONTRACT FOR WATER PRODUCTION AND TREATMENT FACILITIES ISLAND-WIDE

WHEREAS, under 12 G.C.A. § 14105, the Consolidated Commission on Utilities ("CCU") has plenary authority over financial, contractual, and policy matters relative to the Guam Waterworks Authority ("GWA"); and

WHEREAS, the Guam Waterworks Authority ("GWA") is a Guam Public Corporation established and existing under the laws of Guam; and

WHEREAS, on February 27, 2019, GWA issued an Invitation for Bid No. 2019-05 (IFB) for an Indefinite Quantity/Indefinite Delivery (ID/IQ) requirements contract (see Exhibit A); and

WHEREAS, five (5) interested parties registered to download a bid package from GWA’s website and on April 17, 2019, GWA received one (1) bid proposal from Island Equipment Company; and

WHEREAS, on April 22, 2019, the IFB 2019-05 offer was evaluated by GWA’s review committee and determined that the best and only offer was made by Island Equipment Company (see Exhibit B); and

WHEREAS, GWA Management seeks CCU approval of the IDQ/ID contract for Liquid Chlorine 150lb. Cylinder for a quantity of One Thousand Two Hundred Sixty (1,260) at a cost of Six Hundred Eighteen Dollars ($618.00) each, for an annual cost of Seven Hundred Seventy
Eight Thousand Six Hundred Eighty Dollars ($778,680.00) and Liquid Chlorine One (1) Ton for a quantity of twelve (12) at a cost of Six Thousand Ninety Seven Dollars and Seventy Eight Cents ($6,097.78) each, for an annual cost of Seventy Three Thousand One Hundred Seventy Three Dollars and Thirty Six Cents ($73,173.36), for a combined annual cost of Eight Hundred Fifty One Thousand Eight Hundred Fifty Three Dollars and Thirty Six Cents, ($851,853.36) for a total amount of Two Million Five Hundred Fifty Five Thousand Five Hundred Sixty Dollars and Eight Cents ($2,555,560.08) for the initial three (3) year contract term.

WHEREAS, GWA has determined that the issuance of the bid will allow GWA to continue to purchase liquid chlorine used for disinfecting GWA’s drinking water for the protection of public health and safety, and as required under the Safe Drinking Water Act and federal and local regulations; and

WHEREAS, a multiple year contract term of three (3) years with the option to renew for an additional two (2) one (1) year term is in the best interest of GWA due to the fact that it provides fixed prices over a longer period of time and economies of scale may result in a lower bid price than what GWA would otherwise receive for a shorter contract term; and

NOW BE IT THEREFORE RESOLVED; the Consolidated Commission on Utilities does hereby approve the following:

1. The recitals set forth above hereby constitute the findings of the CCU.
2. The CCU finds that cost proposal submitted by Island Equipment Company are fair and reasonable.
3. The CCU hereby authorizes the management of GWA to accept the bid offer from Island Equipment Company (Exhibit B).
4. The CCU hereby further authorizes the funding amount for this project to a maximum of Two Million Five Hundred Fifty-Five Thousand Five Hundred Sixty Dollars and Eight Cents ($2,555,560.08) for the initial three (3) year term with the option to renew for an additional two (2) one (1) year terms.

RESOLVED, that the Chairman certified and the Board Secretary attests to the adoption of this Resolution.

GWA intends to enter into a three (3) year contract with the option to renew for two (2) additional one-year terms for the purchase of liquid chlorine in 150-pound cylinders. All extensions of the contract are subject to the availability of funding. Price modifications for the extensions may be made if the contractor provides proof of changes in their invoice price as required under 2 G.A.R. Section 3118. This specification describes the requirements for the provision of liquid chlorine under this solicitation.

The product described herein shall be manufactured, packaged, shipped, and stored in accordance with the latest additions of the following codes and standards as well as any applicable referenced standards within.

1. AWWA B301-04: Standard for Liquid Chlorine.
5. US Department of Transportation, Hazardous Materials Regulations 49 C.F.R. § 100-177 (Chapter 1, Subchapter C).

B. MATERIAL SPECIFICATION: Liquid Chlorine for disinfection of potable water supplies must meet the requirements of AWWA Standard B-301-04, Section 4.

The supplier under this contract shall be responsible for providing certified analysis from the manufacturer demonstrating compliance with the requirements set forth in this bid.

CONTAINERS: The supplier shall be responsible for providing, inspecting, testing and cleaning of cylinders in accordance with all referenced standards.

1. GWA currently has an inventory of 280 each 150 lbs. and 12 each One Ton GWA-owned cylinders that are currently being used by GWA. GWA shall have the right to certify whether or not said cylinders are in good useable condition.
2. Cylinders shall be inspected, tested, and cleaned in accordance with AWWA Standard B301-04, Section 5. The supplier must maintain at all times documentation of compliance with these requirements at the supplier's facility.
3. GWA reserves the right to reject any cylinders that do not meet the chemical, physical, or safety requirements of this specification. In the event that a cylinder is rejected, the supplier shall replace it with a like amount of satisfactory liquid chlorine in an acceptable container.
4. No cylinder deposit or cleaning charge shall be separately levied. All fees for the maintenance of 150 lb and One Ton, cylinders in accordance with applicable codes shall be included in the unit cylinder price.
C. STORAGE AND MINIMUM INVENTORY REQUIREMENTS:

Due to the potential for interruption of shipping networks to Guam due to typhoons and other causes, it is necessary to maintain a minimum inventory (backup reserve) of chlorine in order to insure availability at all times. The minimum backup reserve has been established for GWA by the USEPA as noted below.

1. The supplier shall maintain a sufficient inventory of 180 pound and one-ton chlorine cylinders such that a backup reserve of at least 200 150 lbs. cylinders and three (3) one ton shall be available at any and all times. This reserve shall be exclusive of any reserve required by other customers.

3. The supplier shall be responsible for maintaining a storage facility in compliance with OSHA and other applicable law, codes and standards regarding receiving, handling, storage, delivery, and emergency response to chlorine gas. The supplier shall maintain documentation of compliance to be provided at the request of GWA.
4. No additional facility maintenance or storage charges (or any other charge) shall be separately levied. All fees for shipping, storage and facility maintenance shall be included in the unit cylinder price.

D. SPECIAL CONDITIONS:

1. The contract for the supply of liquid chlorine shall be for a period of three (3) years. GWA reserves the right to renew this contract for two (2) additional one-year terms with both parties agreeing in writing. All extensions of the contract are subject to the availability of funding. Price modifications for the extensions may be made if the contractor provides proof of changes in their invoice price as provided under 2 G.A.R. Section 3118.
2. Cost data pursuant to 2 G.A.R. §3118 to support any proposed increase must be submitted to the Purchasing Director no less than 90 days prior to the effective date of any such requested price increase. Any adjustment allowed shall consist of verifiable material cost increases which may be passed on to the consumer.
3. No adjustment shall be made to compensate a supplier for inefficiency in operation, or for additional profit.
4. Bids indicating price in effect at time of shipment will be considered invalid.
5. Bidders shall respond to a GWA facility should an emergency situation develop; within the appropriate time-frame necessary to deal with a leak, and response shall be no longer than two hours from the time of notification. Emergency numbers for this procedure shall accompany the bid.
6. If the products proposed in the response to this bid vary in any way from the requirements contained in this specification or other solicitation documents, the bidder is responsible to clearly identify by specification section number, all such differences in writing at the time of bid. III. SPECIAL TERMS AND CONDITIONS

Note, these special terms and conditions apply in the event that GWA uses a purchase order. However, in the event a formal contract is entered into, the terms of the Contract shall control in the event of a conflict between these terms and conditions and the contract.

A. GENERAL COMPLIANCE WITH LAWS

The Bidder agrees that they shall comply with all Federal and territorial laws, rules, regulations and ordinances applicable to the work being performed hereunder. Bidder shall attach a copy of appropriate business license or an affidavit executed under penalty of perjury that indicates that Bidder is exempt under Guam law (must include legal citations proving exemption). Bidder agrees that they have and will continue to familiarize themselves with the requirements of all laws and rules applicable to this procurement. Failure on the part of the bidder to familiarize themselves with the law and rules shall not excuse Bidder in any way.

B. ALL OR NONE BIDS

If applicable to this bid, GWA is requesting all of the bid items to be bid on or none at all. GWA will not award on an itemize basis.

C. BIDDERS PRICE

GWA will consider not more than (2) (Basic and Alternate Bids) item prices and the bidder shall explain fully each price if supplies, materials, equipment, and/or specified services offered comply with specifications and the products origin. Where basic or alternate bid meets the minimum required specification, cost and other factors will be considered. Failure to explain the requirements will result in rejection of the bid.

D. ACCESS TO RECORDS AND OTHER REVIEW.
The bidder, including his subcontractors, if any, shall maintain copies of all books, documents, papers, accounting records and other evidence pertaining to costs incurred and to make such materials available at their respective offices at all reasonable times during the contract period and for three (3) years from the date of the final payment under the contract, for inspection by the Guam Waterworks Authority. All originals of any documents related to this Contract shall be provided to GWA as soon as possible, but not later than one day prior to the conclusion of this Agreement. Each subcontract entered into by Bidder pursuant to this agreement shall include a provision containing the conditions of this Section.

E. OWNERSHIP OF DOCUMENTS.

G. CHANGES.

By written order, at any time, and without notice to bidder’s surety, GWA may, subject to all appropriate adjustments, make changes within the general scope of work of this Contract in any one or more of the followings:

1. Drawings, designs or specifications, if the supplies or services to be furnished are to be specifically manufactured for GWA in accordance therewith;
2. Method of shipping or packing; or
3. Place of delivery.

If any such change order increases or decreases the bidder’s cost of, or the time required for performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this Contract.

Failure of the parties to agree to an adjustment shall not excuse the bidder from proceeding with the Contract as changed, provided that GWA promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the bidder shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.
Within 30 days after receipt of a written change order, unless such period is extended by GWA in writing, the Bidder shall file notice of intent to assert a claim for an adjustment. Later notice shall not bar the Bidder's claim unless GWA is prejudiced by the delay in notification. No claim by the Bidder for an adjustment hereunder shall be allowed if notice is not given prior to final payment given under this bid.

In the absence of such a change order, nothing in this clause shall be deemed to restrict the bidder's right to pursue a claim arising under the contract if pursued in accordance with the clause entitled "Claims Based on Acts or Omissions by GWA" of this Contract.

H. TERMINATION.

TERMINATION FOR DEFAULT:

(1) Default. If the Bidder refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof, otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract as determined by GWA, then GWA may notify the Bidder in writing of the delay or non-performance and if not cured in ten days or any longer time specified in writing by GWA, GWA may terminate the Bidder's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part GWA may procure similar services in a manner and upon terms deemed appropriate by GWA. The Bidder shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar services.

(2) Bidder's Duties. Notwithstanding termination of the contract and subject to any directions from GWA, the Bidder shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Bidder in which GWA has an interest.

(3) Compensation. Payment for completed services delivered and accepted by GWA shall be at the contract price. Payment for the protection and preservation of property shall be in an amount agreed upon by the Bidder and GWA; if the parties fail to agree, GWA shall set an amount subject to the Bidder's rights under Chapter 9 (Legal and Contractual Remedies) of the Guam Procurement Regulations. GWA may withhold from amounts due the Bidder such sums as GWA deems to be necessary to protect GWA against loss because of outstanding liens or claims of former lien holders and to reimburse GWA for the excess costs incurred in procuring similar goods and services.

(4) Excuse for Nonperformance or Delayed Performance. Except with respect to defaults of sub-contractor(s) of Bidder, the Bidder shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the Bidder to make progress in the prosecution of the work hereunder which endangers such performance) if the Bidder has notified GWA within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the government of Guam and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics.
quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform or to make progress due to such causes similar to those set forth above, the Bidder shall not be deemed to be in default, unless the services to be furnished by the sub-contractor were reasonably obtainable from other sources in sufficient time to permit the Bidder to meet the contract requirements. Failure of the sub-contractor to perform for reasons other than cited above shall constitute a default of the Bidder unless cured by Bidder with a reasonable time. Upon request of the Bidder, GWA shall ascertain the facts and extent of such failure, and, if GWA determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Bidder’s progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of GWA and the government of Guam under the laws of Guam.

(5) **Erroneous Termination for Default.** If, after notice of termination of the Bidder’s right to proceed under the provisions of this clause, it is determined for any reason that the Bidder was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subsection C, below.

(6) **Additional Rights and Remedies.** The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

**TERMINATION FOR CONVENIENCE:**

(1) **Termination.** GWA may, when the interest of GWA so requires, terminate this contract in whole or in part, for the convenience of GWA. GWA shall give written notice of the termination to the Bidder specifying the part of the contract terminated and when termination becomes effective.

(2) **Bidder’s Obligations.** The Bidder shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Bidder will stop work to the extent specified. The Bidder shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The Bidder shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. GWA may direct the Bidder to assign the Bidder’s right, title, and interest under terminated orders or subcontracts to GWA. The Bidder must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) **Right to Work Product.** Upon termination of the contract for the convenience of GWA or for any other reason, Bidder shall transfer title and deliver to GWA all documents and reports, plans, drawings, information and other material produced by Bidder or any of its subcontractors in connection with the performance of this contract. The Bidder shall protect and preserve property in its possession or in the possession of any of its sub-contractors in which GWA has an interest.

(4) **Compensation.**
(a) The Bidder shall submit a termination claim specifying the amount due because of the termination for convenience together with cost or pricing data to the extent required by 2 G.A.R. § 3118 (Cost or Pricing Data) of the Guam Procurement Regulations bearing on such claim. If the Bidder fails to file a termination claim within one year from the effective date of termination, GWA may pay the Bidder, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(b) GWA and the Bidder may agree to a settlement provided the Bidder has filed a termination claim supported by cost or pricing data to the extent required by 2 G.A.R. § 3118 (Cost or Pricing Data) of the Guam Procurement Regulations and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by GWA and the contract price of the work not terminated.

(c) Absent complete agreement under Subparagraph 4(b) of this Section, GWA shall pay the Bidder the following amounts, provided payments that are agreed upon under Subparagraph 4(b) shall not duplicate payments under this Subparagraph:

(i) contract prices for services accepted under the contract;
(ii) costs incurred in preparing to perform and performing the terminated portion of the work plus a fair and reasonable profit on such portion of the work (such profit shall not include anticipatory profit or consequential damages) less amounts paid or to be paid for accepted supplies or services; provided, however, that if it appears that the Bidder would have sustained a loss if the entire contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;

(iii) costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Subparagraph (b) of this clause;
(iv) the reasonable settlement costs of the Bidder including accounting, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the contract for the termination and settlement of subcontracts hereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this contract. Attorney’s fees if for any reason it files suit against the government must be paid by the Bidder. The total sum to be paid the Bidder under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the Bidder reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Cost claimed, agreed to, or established under Subparagraph (b) and (c) of this Paragraph shall be in accordance with Chapter 7 (Cost Principles) of the Guam Procurement Regulations.
I. SEVERABLE PROVISIONS.

If any provision of this agreement shall be deemed by a court of competent jurisdiction to be invalid, then such provision shall be deemed stricken from the agreement and the agreement shall be enforced according to its valid and subsisting terms and provisions. The terms of this Contract shall control in the event of any conflict between this Contract and any other document incorporated or referenced herein.

J. GOVERNING LAW AND VENUE.

The validity of any agreement entered into under this bid and any of its terms or provisions, as well as the rights and duties of the parties to this agreement, shall be governed by the laws of Guam. Moreover, any and all actions governing this agreement shall be brought in either the Guam Superior Court or the Guam District Court if applicable.

2. GWA, its officers, agents, employees and governing board shall not be liable to bidder for any work performed by the bidder prior to the written and signed approval of this Contract by the General Manager for GWA and by submitting a bid, the bidder expressly waives any and all claims for service performed in expectation of this agreement prior to its signature of the General Manager.

M. ASSIGNMENT.

An assignment of any portion of the performance required under this Bid is not valid unless written approval is first obtained from GWA. Requests for approval of the right to assign any portion of the contract or obligation, if awarded, must be made in writing and submitted with the bid. No other requests for assignment will be accepted.

N. LIQUIDATED DAMAGES.

By submitting a bid, the Bidder agrees to commence work on the date to be specified in a written "Notice to Proceed" from GWA and to fully complete the project within the allotted time.
thereafter. In the event that the Bidder fails to complete the work called for in the bid, fails to 
provide the goods or services in the allotted time, then Bidder shall pay to GWA $4 of 1% of the 
total bid price per day as liquidated damages for the non-performance as specified by the Guam 
Code Annotated. The liquidated damages herein are not a penalty, but rather a reasonable estimate 
by GWA of the loss it would suffer as a result of non-performance.

O. CONTRACT DOCUMENTS.

It is hereby mutually agreed that the following list of instruments, plans, specifications and 
documents which are attached hereto, bound herewith or incorporated herein by reference shall 
constitute the Contract Documents, all of which are made a part hereof, and collectively evidence 
and constitute the Contract between the parties, hereto, and they are as fully a part of any

and conclusive upon the parties thereto. In the meantime, the bidder shall diligently proceed with 
the work as directed. However, the final decision of the GWA General Manager is appealable to 
the Guam Public Auditor as provided under 5 G.C.A. § 3427(e).

Q. CONTRACT ISSUED UNDER THIS BID IS BINDING.

It is agreed that any contract under this bid and all the Covenants hereof shall inure to the benefit 
of and binding upon GWA and the bidder respectively and his parties, successors, assigns and 
legal representative. Neither GWA nor the Bidder shall have the right to assign, transfer or sublet 
his interests or obligations hereunder without written consent of the other party.
It is hereby mutually agreed by and between the parties hereto that no mechanic, contractor, subcontractor, material man or other person can or will contract for or in any other manner have or acquire any lien upon the binding or works covered by the contract, or the land upon which the same is situated.

R. BIDDER'S RESPONSIBILITIES.

The Bidder shall be responsible for the quality and workmanship of all services and materials furnished under this contract. The Bidder shall, without additional cost to GWA, correct or revise all errors or deficiencies in his/her products or work.

GWA's review, approval, acceptance of, and payment for goods, fee, or for services required under this contract, shall not be construed to operate as a waiver of any rights under this contract or of any cause of action arising out of the Bidder's failure of performance of this contract and the Bidder shall be and remain liable to the GWA for all costs of any kind which may be incurred by the GWA as a result of the Bidder's negligent or erroneous performance of any of the services performed under this Bid. GWA shall continue to remain liable for its own negligent acts and those of its employees and its failure to perform as provided under this agreement.

S. SCOPE OF AGREEMENT.

Any Agreement issued under this bid and signed by the GWA General Manager (formal contract or Purchase Order) supersedes any and all other Agreements, either oral or in writing, between the parties hereto with respect to retaining the services of Bidder by the GWA and contains all of the covenants and terms between the parties with respect to such this project. Each party to this Agreement acknowledges that no representation, inducements, promises or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party which are not embodied herein, and that no other agreement, statement, or promise not contained in this Agreement and addenda will be effective only if it is in writing signed by the party to be charged. For the purposes of this paragraph and of the entire agreement, the signature of the General Manager for the Guam Waterworks Authority (or his designee) is the only signature that will bind the GWA.

T. CHANGE ORDERS.

By written order, at any time, and without notice to Bidder's surety, GWA may, subject to all appropriate adjustments, make changes within the general scope of work of this Contract in any one or more of the followings:

1. Drawings, designs or specifications, if the supplies or services to be furnished are to be specifically manufactured for GWA in accordance therewith;
2. Method of shipping or packing; or
3. Place of delivery.

If any such change order increases or decreases the Bidder's cost of, or the time required for performance of any part of the work under this contract, whether or not changed by the order, an
adjustment shall be made and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this Contract.

Failure of the parties to agree to an adjustment shall not excuse the Bidder from proceeding with the Contract as changed, provided that GWA promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the Bidder shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

Within 30 days after receipt of a written change order, unless such period is extended by GWA in writing, the Bidder shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the Bidder’s claim unless GWA is prejudiced by the delay in notification. No claim by the Bidder for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this Contract.

In the absence of such a change order, nothing in this clause shall be deemed to restrict the Bidder’s right to pursue a claim arising under the contract if pursued in accordance with the clause entitled “Claims Based on Acts or Omissions by GWA” of this Contract.

U. STOP WORK ORDERS.

GWA may by written order to the Bidder, at any time, and without notice to any surety, require the Bidder to stop all or any part of the work called for in the Contract. This order shall be for a specified period not exceeding ninety (90) days after the order is received by the Bidder, unless the parties agree to any longer period. Upon receipt of the order, the Bidder shall comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties have agreed, GWA shall either cancel the work order or terminate the work covered by the order as provided under the Termination for Default or Termination for Convenience Clauses contained in this contract.

If a stop work order issued under this clause is cancelled at any time during the period specified in the order, of the period of the order or any extension thereof expires, the Bidder shall have the right to resume work. An appropriate adjustment shall be made to the delivery schedule of Bidder only if: (a) the stop work order results in an increase in the time required for performance or the Bidder’s cost; and (b) if the Bidder asserts a claim for such an adjustment within thirty (30) days after the end of the period of work stoppage, provided that, if GWA decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract. If a stop work order is not cancelled and the work covered by the order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed pursuant to the price adjustment clause of this Contract.

V. CLAIMS BASED ON ACTS OR OMISSIONS BY GWA.

If any action or omission on the part of GWA requiring performance changes within the scope of the contract constitutes the basis for a claim by the Bidder for additional compensation, damages,
or an extension of time for completion, the Bidder shall continue with performance of the contract in compliance with the directions or orders of GWA, but by so doing, the Bidder shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:

(a) the Bidder shall have given written notice to GWA:

(i) prior to the commencement of the work involved, if at that time the Bidder knows of the occurrence of such action or omission;

(ii) within 30 days after the Bidder knows of the occurrence of such action or omission, if the Bidder did not have such knowledge prior to the commencement of the work; or

(iii) within such further time as may be allowed by the Procurement Officer in writing.

This notice shall state that the Bidder regards the act or omission as a reason which may entitle the Bidder to additional compensation, damages, or an extension of time. The Procurement Officer or designee of such officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Procurement Officer or designee of such officer.

(b) the notice required by Subparagraph (a) of this Paragraph describes as clearly as practicable at the time the reasons why the Bidder believes that additional compensation, damages, or an extension of time may be remedies to which the Bidder is entitled; and

(c) the Bidder maintains and, upon request, makes available to the Procurement Officer within a reasonable time, detailed records to the extent practicable, of the claimed additional costs or basis for an extension of time in connection with such changes.

Nothing herein contained, however, shall excuse the Bidder from compliance with any rules of law precluding any GWA official or its Bidders from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the contract.

Any adjustment in the contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract.

**W. PRICE ADJUSTMENT CLAUSE.**

Any adjustment in contract price pursuant to clauses in this contract shall be made in one or more of the following ways:

(a) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

(b) by unit prices specified in the contract or subsequently agreed upon;
(c) by the costs attributable to the event or situation covered by the clause, plus appropriate profit or fee, all as specified in the contract or subsequently agreed upon;

(d) in such other manner as the parties may mutually agree; or

(e) in the absence of an agreement between the parties, by a unilateral determination by the GWA General Manager of costs attributable to the event or situation covered by the clause, plus appropriate profit or fee, all as computed by the GWA General Manager in accordance with generally accepted accounting principles and applicable sections under Chapter 7 (Cost Principles) of the Guam Procurement Regulations and subject to the provisions under Title 5, Chapter 5 of the Guam Code Annotated (Legal and Contractual Remedies).

X. SERVICE DISABLED VETERAN PREFERENCE.

Please note that in the event a bid is submitted by a bona-fide service disabled veteran where the bidder is at least fifty-one percent (51%) owned by a service-disabled veteran and the price for the supply or service does not exceed one hundred five percent (105%) of the lowest price bidder, GWA is required under 5 G.C.A. § 5011 to award the bid to the service-disabled veteran owned business. A service-disabled veteran business must meet all of the following qualifications under 5 G.C.A. § 5012:

(a) the business concern is licensed to do business on Guam;
(b) the business concern maintains its headquarters on Guam;
(c) the business concern is at least fifty-one percent (51%) owned by a service disabled veteran(s) who served in the active U.S. military service, was discharged or released under honorable conditions and whose disability is service-connected as demonstrated by a DD214, and certified by an award letter from the U.S. Department of Veterans Affairs;
(d) the DD214 and Disability award letter from the U.S. Department of Veterans Affairs are submitted to the procuring entity for every service or supply offered, and;
(e) the service-disabled veteran(s) owner of the business concern has filed individual tax returns on Guam for a period of at least three (3) consecutive years.

For any request for a price adjustment, the contractor shall submit cost or pricing data for any price adjustments subject to the provisions of 2 G.A.R. § 3118 of the Guam Procurement Regulations.

IV. ADDITIONAL SPECIAL TERMS AND CONDITIONS

This is an “Indefinite Quantity Bid” pursuant to the Guam Procurement Regulations. The quantities reflected in the bid are estimated requirements only and not guaranteed minimums. The amounts listed are GWA’s best estimate of its average annual needs. Quantities may increase or decrease thru the duration of the contract and continued purchase is subject to the availability of funds. No commitment is made to vendors in terms of purchasing quantity.
A. The purpose of this bid is to provide GWA with a sufficient quantity of 150 lbs. and one-
ton liquid chlorine cylinders and to provide GWA with a sufficient supply of liquid chlorine
to allow GWA to safely operate its water system and to comply with the terms and
conditions of the USEPA / GWA Stipulated Order for Preliminary Relief (as amended)
entered into on June 5, 2003. In addition, these specifications have been written to describe
minimum performance requirements of the items to be supplied.

B. GWA reserves the right to conduct a reasonable test following delivery and prior to
acceptance to confirm that the products (both the cylinders and the chlorine) meet the
minimum specifications set forth herein or otherwise performs as required.

C. These specifications have been written to describe the minimum requirements to be
supplied by the vendor bidding. This bid is subject to Guam’s Procurement Laws.

GWA hereby notifies vendors that a reasonable test may be conducted upon delivery of
each shipment and prior to acceptance, which may include, but is not limited to testing the
goods to be provided under this Bid for quality, manufacturing defects, other irregularities
and for compliance with these specifications. GWA also reserves the right to have any
goods provided hereunder tested by an independent firm to ensure quality and compliance
with requirements set forth in this bid. GWA also reserves the right to have the
manufacturing process inspected for all goods provided hereunder.

D. The Guam Waterworks Authority reserves the right to accept and/or reject any and all bids,
to waive any defects, irregularities, or specification discrepancies and to award the bid as
deemed to be the best interest to GWA.

E. As required under Guam law, GWA reserves the right to cancel this bid if it is in the best
interest of GWA to do so.

F. The successful bidder shall warrant that all goods and services to be provided herein are fit
for the intended purpose stated in this Bid, are manufactured in the United States and meet
the standards set forth in this Bid. The bidder shall also warrant all goods provided under
this Bid to have a useful product shelf life of a period of not less than one year. However,
if the manufacturer of such goods provides a shelf life warranty for any period of time
greater than one year for any item, that same warranty period shall be extended to GWA.

G. In addition, the successful bidder will handle all warranty issues arising out of this
agreement and shall act as the warranty administrator for the duration of any warranty
provided under this Bid. Thus, if the vendor is not the manufacturer of the products
provided under this Bid, GWA will not be required by the bidder to contact any
manufacturer directly unless the bidder is the manufacturer of all goods provided hereunder
and the bidder shall designate a delivery point on Guam for goods to be delivered or bidder
shall pay all freight and handling charges associated with the return of the goods to the
manufacturer and all costs for replacement.
H. The successful bidder may be required to enter into a written contract on terms and conditions acceptable to GWA (also please note that a Purchase Order is a contract).

I. Bidders are advised that they are required to follow all laws, rules and regulations relating to the provision of goods and services. Ignorance of any law, rule or regulation by the bidder at any time during the bidding process or performance under the bid shall not relieve the vendor from the applicability thereof.

J. All Bidders shall maintain $1,000,000 liability insurance policy throughout the duration of the performance of any contract entered into. Bidders shall provide a copy of the insurance policy to GWA as a condition for entering into the contract with GWA. Bidders shall also provide GWA with proof the policy has been renewed and kept in force throughout the contract term.

K. Prior to entering into any contract with GWA, any and all successful bidders shall provide GWA with a valid and up-to-date copy of their Guam Business License which provides proof that they are able to engage in the type of business required for this bid.

L. Bidders are also advised to use and fill out all forms attached to this Bid, including but not limited to the Affidavit of Non-Collusion, Certification Regarding Hiring Convicted Sex Offenders, Bid Bond, and any other form required to complete their bid.

M. Bidders are reminded that submission of a bid constitutes an acknowledgement that they have read and understood all bid terms and agree to be bound by such an that failure to read the bid shall not excuse performance or otherwise give rise to any claim by bidder, including mistake, neglect or for any other reason.

V. SPECIAL PROVISIONS

I. Bid and Performance Bond Requirements:

All bidders are required to submit bid security in the amount of 15% of their total bid amount which must also indicate that the security is not only for a bid bond, but also for performance under this Bid as required by 5 C.C.A. 5312. Failure to submit a proper bid bond will cause the bid to be rejected. Bid amounts are based on the total cost for the total number of units specified.

As required by law, the bid security shall not be released upon award of the bid, but instead shall continue in full force and effect until after delivery of the supplies or services required by the contract awarded to the Bidder under the associated Invitation for Bid is completed to secure the faithful performance under this Bid (e.g., until warranty period has ended as any warranty is a service provided in conjunction with the delivery of goods).

THE BID/PERFORMANCE GUARANTEE MAY BE IN THE FORM OF:

a. Cashier’s Check or Certified Check
b. Letter of Credit
c. Surety Bond – Valid only if accompanied by:
   i. Current Certificate of Authority;
   ii. Power of Attorney issued by the Surety to the Resident General Agent;
   iii. Power of Attorney issued by two (2) major officers of the Surety to whoever is signing on their behalf

2. Performance Bond: see Section 1 above.

3. **Failure To Submit Required Documentation.**

Failure by Bidder to submit the required information or data will be cause to declare the bidder as non-compliant with the bid. Any declaration of non-compliance shall be at the sole discretion of the General Manager of the Guam Waterworks Authority.

4. **Shipping and Cost:**

Total cost must include CIF delivery to GWA’s Ugum Water Treatment Facility located in Talasofo, Guam. Deliveries shall be made via flatbed truck or other means acceptable to GWA. If necessary, a forklift must be provided during deliveries by the successful vendor to unload the truck and place the chemicals at places at the Ugum facility designated by GWA staff. The contractor shall contact GWA’s Procurement Division at least 72 hours in advance of each delivery to determine whether or not a forklift will need to be provided.

5. **Delivery and Payment**

a. The vendor will be responsible for all cost and all risks associated with the provision of these goods until delivery is made and the items are formally accepted by GWA. Formal acceptance under this bid shall not be deemed to be the mere delivery of the goods. Acceptance will only occur after delivery and inspection/testing is performed by GWA. Delivery time is 30 days from the date on the Notice to Proceed. GWA reserves the right to reject non-conforming goods at any time prior to use after the goods have been delivered.

b. All goods shall be delivered CIF to GWA’s Ugum Water Treatment Facility.

c. The initial shipment shall be delivered to GWA within thirty days after the Notice to Proceed has been provided to the vendor. A Material Safety Data Sheet (MSDS) must be provided with each delivery, regardless of amount. Aside from the initial delivery, all goods must be delivered within 5 businesses from the date the vendor is notified of the need for goods and the amount of goods required to be delivered.

d. Vendors must maintain at least a three (3) month supply of goods they are responsible for supplying on Guam at all times. Goods shall be stored in a manner to ensure that typhoons or other natural disasters do not make them unavailable to GWA when needed.
since weather and natural disasters are exactly why the three (3) month supply is being
required given the fact that water is a necessary element to ensuring public health.

c. Please note that usage of the chemicals is dependent upon many factors, including time
of year, weather, etc.

Payment for all goods delivered shall be net 30 following the date that an invoice for goods
delivered to GWA has been provided to GWA and verified by GWA. Verification shall take no
longer than 10 business days. Vendors may not bill GWA for the inventory stock required to be
maintained hereunder.

6. Quality:

All items to be delivered under this bid shall be of high quality and be of U.S. manufacture and
they shall at all times conform to the specifications set forth herein or
based upon quality.

GWA reserves the right to reject items based on failure to meet the standards set forth herein or
based upon quality.

GWA reserves the right to request samples from each bidder to test independently. If bidders do
not provide a sample for testing if such a request is made, the bidder may not be deemed to be a
qualified bidder and as such their bid may be rejected.

7. Contract Term:

The lowest responsive and responsible bidder for the item above will enter into a contract on terms
acceptable to GWA. Form contracts from vendors shall not be used. The contract term shall
commence on the date of the vendor’s acknowledged receipt of a formal Notice to Proceed from
GWA. The initial term is for three (3) years for chemicals to be used by GWA to operate the
Ugum Surface Water Treatment Facility in compliance with the Long Term 2 Enhanced Surface
Water Treatment Rule of the Safe Drinking Water Act during the operation of a membrane water
treatment facility. GWA finds that a multi-year fixed price contract will ensure the best price in
the long-term to hedge against fluctuating prices which tend to increase overtime and to increases
efficiency in operations by not having to proceed through the bid process annually. This contract
may be extended out annually for a maximum period of two (2) years subject to the consent of
both parties. In the third-year price adjustments may be made subject to the provision of verified
cost and pricing data from the vendor.

8. These specifications have been written to describe minimum performance requirements to be
supplied by the manufacturers bidding.

9. The successful bidder shall furnish all necessary information and instructions for the proper
operation / completion of all requirements in bid specifications.
10. GWA reserves the right to accept and/or reject any and all bids, to waive any defects, irregularities, or specification discrepancies and to award the bid in the best interest of Guam Waterworks Authority.

These specifications were approved and/or prepared by Miguel C. Bordallo, P.E. General Manager, and hereby constitute the findings and determinations of the General Manager.

If any employee of a service provider is providing services on government property and is convicted subsequent to an award of a contract, then the service provider warrants that it will notify the Guam Waterworks authority ("GWA") of the conviction within twenty-four hours of the conviction, and will immediately remove such convicted person from providing services on government property. If the service provider is found to be in violation of any of the provisions of this paragraph, then the GWA will give notice to the service provider to take corrective action. The service provider shall take corrective action within twenty-four hours of notice from GWA, and the service provider shall notify GWA when action has been taken. If the service provider fails to take corrective steps within twenty-four hours of notice from GWA, then GWA in its sole discretion may suspend temporarily any contract for services until corrective action has been taken.

Shipping and Cost:

Total cost must include CIF delivery to GWA’s Ugum Water Treatment Facility located in Talofofo, Guam. Deliveries shall be made via flatbed truck or other means acceptable to GWA. If necessary, a forklift must be provided during deliveries by the successful vendor to unload the truck and place the chemicals at places at the Ugum facility designated by GWA staff. The contractor shall contact GWA’s Procurement Division at least 72 hours in advance of each delivery to determine whether or not a forklift will need to be provided

Delivery and Payment
a. The vendor will be responsible for all cost and all risks associated with the provision of these goods until delivery is made and the items are formally accepted by GWA. Formal acceptance under this bid shall not be deemed to be the mere delivery of the goods. Acceptance will only occur after delivery and inspection/testing is performed by GWA. Delivery time is 30 days from the date on the Notice to Proceed. GWA reserves the right to reject non-conforming goods at any time prior to use after the goods have been delivered.

b. All goods shall be delivered CIF to GWA’s Uguum Water Treatment Facility.

c. The initial shipment shall be delivered to GWA within thirty days after the Notice to Proceed has been provided to the vendor. A Material Safety Data Sheet (MSDS) must be provided with each delivery, regardless of amount. Aside from the initial delivery, all goods must be delivered within 5 businesses from the date the vendor is notified of the need for goods and the amount of goods required to be delivered.

d. Vendors must maintain at least a three (3) month supply of goods they are responsible for supplying on Guam at all times. Goods shall be stored in a manner to ensure that typhoons or other natural disasters do not make them unavailable to GWA when needed since weather and natural disasters are exactly why the three (3) month supply is being required given the fact that water is a necessary element to ensuring public health.

e. Please note that usage of the chemicals is dependent upon many factors, including time of year, weather, etc.

Payment for all goods delivered shall be net 30 following the date that an invoice for goods delivered to GWA has been provided to GWA and verified by GWA. Verification shall take no longer than 10 business days. Vendors may not bill GWA for the inventory stock required to be maintained hereunder.

**Contract Term:**

The lowest responsive and responsible bidder for the item above will enter into a contract on terms acceptable to GWA. **Form contracts from vendors shall not be used.** The contract term shall commence on the date of the vendor’s acknowledged receipt of a formal Notice to Proceed from GWA. The initial term is for three (3) years for chemicals to be used by GWA to operate the Uguum Surface Water Treatment Facility in compliance with the Long Term 2 Enhanced Surface Water Treatment Rule of the Safe Drinking Water Act during the operation of a membrane water treatment facility. GWA finds that a multi-year fixed price contract will ensure the best price in the long-term to hedge against fluctuating prices which tend to increase over time and to increases efficiency in operations by not having to proceed through the bid process annually. This contract may be extended out annually for a maximum period of two (2) years subject to the consent of both parties. In the third-year price adjustments may be made subject to the provision of verified cost and pricing data from the vendor.

**NOTE:** Subject to CCU’s approval.
