CCU ANNUAL EVALUATION OF GPA AND GWA GENERAL MANAGERS

Pursuant to P.L 29-061, the Consolidated Commission on Utilities hereby announces that the required 2021 annual performance review for both the General Manager of the Guam Power Authority & the Guam Waterworks Authority were conducted in December 2021.

From an overall rating scale of 5, Mr. John Benavente, P.E, General Manager for Guam Power Authority received an overall evaluation score of 3.72, satisfactorily meeting expectations. Mr. Miguel Bordallo, P.E., General Manager for the Guam Waterworks Authority received an overall evaluation score of 3.9, also satisfactorily meeting expectations. Both Mr. Benavente and Mr. Bordallo will be retained as General Manager for GPA and GWA, respectively.

The entire performance reviews, in detail, are posted on the GPA, GWA and CCU websites at guampowerauthority.com, guamwaterworksauthority.org and guamccu.org

*Joseph T. Duenas
Chairman, Consolidated Commission on Utilities*
